Sir,

I have the honor to submit that one Channia undertook to build a Utsava murti Syala close to the main temple of Virabhadra Devaru at Lingadhalli in the Tarikere Taluk at an estimate cost of Rs 6,979—0—0.

The estimate was prepared by the Public Works Department at my request, and the said Channiah raised Contributions from the neighbouring villagers to the extent of Rs 5914—0—0, which was spent towards the building. The building, as it now stands, is incomplete, and requires a further sum of Rs 1062—0—0 as per estimate enclosed. Channiah promises however, to raise further Contributions to complete the work, and pays at the same time, to place at his disposal, the sum of Rs 241-5-7, remaining at the credit of the temple in the Govt Treasury, under the head

"Management

"Management of Hosahead Funds.—

The Amildar of Tarikere who inspected the new building strongly supports Channiah's prayer in his report No. 51 — dated 19th May/96.

The income arising out of the Inam lands of the temple, annually, is only Rs 3/- which goes to the Pujari towards the daily worship of the deity.—

In consideration of Channiah's exertions and of his having successfully carried out the greater portion of the Work by collecting such a large sum by Contributions; —

I beg to recommend that sanction may be kindly accorded for utilising Rs 241-5-4 towards the completion of the building. The Vernacular records connected with the same* are herewith forwarded. ——

* Ending with Tey Officer's Yadast No: 594 dated 24.9.96

I have the honor to be,
Sir
Your most Obedient servant.
